

CITY FAILS

The Dimmer View

BY MAX GOODWIN

Anyway you look at it the incorporation battle was a good one.

The issue had been decided in the manner provided by our Constitution.

Regardless of the position each of us took, the mandate of the voters has been handed down democratically. There is no time for rejoicing; no time for sorrow. There's work to be done and a lot of it. So let's do it in a spirit of co-operation.

Many problems face the community.

There is the problem of Broadway. This has been kicked around for many months without being resolved. This is the main street of our community and should have a face-lift.

There are many secondary streets that are too narrow. A group with a stiff backbone and loud voices will be needed on this one.

There is a land-use problem. This should be resolved for the best interests of all our residents. Certainly a thoughtful and forceful group should become interested in this.

Then there is the matter of street lighting and sidewalks and curbs. Few people appear to have enough interest in this one to seem to want to solve it.

These are some of the things that could have been solved by local government had the issue passed.

As it was before the election, Lemon Grove is still a good place to live and most of the voters said they prefer it without local government.

And as we are guaranteed by our constitution, the majority should rule.

For those who like statistics here is a breakdown of a ten percent sampling taken as the final week before the election closed. At press time we did not have percentages of the precincts on how the electorate actually voted but we will publish them next issue.

It is interesting to note that precincts 14 and 15 produced the most "yes" votes. Precinct 14, Golden Avenue, straddle Golden Avenue. Most "no" votes came from precinct 12 of which Buena Vista and Central is approximately the center.

Bertha Parker Named Director For Hospital

Two appointments to administrative positions at Paradise Valley Sanitarium and hospital by the board of trustees were announced today by administrator Melvin V. Jacobson.

Miss Bertha F. Parker, R.N., was appointed director of the school of nursing. Miss Parker, who has been assistant director of the school since 1954, fills the position left vacant by the death of Miss Ernestine Gill.

She is a graduate of the Boulder, Colorado, sanitarium and hospital school of nursing. She received her B. S. degree in nursing education from Washington missionary college, Washington D.C., and her M.A. degree from Pacific Union college, Angwin.

James Oss, director of patients' business at the hospital for the past 10 years, has been named assistant administrator. Oss is now in his 32nd year of employment in Seventh-day Adventist schools and hospitals.

He held positions at Boulder sanitarium and hospital and Pacific Union college before coming to Paradise Valley. He will continue as director of patients business.

Pilgrims Did Not Observe Annual Thanksgiving Day

The Pilgrims would have been shocked to their shoe buckles on December 13, 1621, if they had known that their day of thanks was to become a yearly national holiday celebrated by millions of people in the United States and Canada. For the Pilgrims were dead-set against "annual" holidays and refused to celebrate even Christmas and Easter.

According to research experts with the World Book Encyclopedia, the Pilgrims referred to the religious holidays of the Church of England as "Roman Corruption." They believed in celebrating only when providence granted them a particular blessing.

As if to prove their disdain for yearly calendar-fixed celebrations, the Pilgrims did not have a Thanksgiving celebration the next year. However, other New England colonists picked up the idea and held "thanks days," usually around the end of November.

The Pilgrim-inspired holiday is today a joyous family day celebrated with big dinners and happy reunions, but the history of the holiday in the United States has been fraught with argument.

In 1789 a resolution was presented by a member of the new congress proposing that a day be set aside to give thanks for the constitution. The resolution was finally adopted, but there was much opposition by those who believed the federal government was meddling in a matter that should be the concern of the individual states. Thomas Jefferson called such government-proclaimed holidays a "monarchical practice" and ignored Thanksgiving during his eight years in office.

Mrs. Sarah Hale, editor of Godey's Lady's Book, worked for 30 years to promote the idea of a national Thanksgiving day. Mrs. Hale had a double-barreled attack—she printed editorials promoting the idea and also included tempting recipes for Thanksgiving delicacies.

In 1863 Lincoln proclaimed that the last Thursday in November would be Thanksgiving day. Each year afterward, the president of the United States formally proclaimed that Thanksgiving should

be celebrated on the last Thursday of November.

However, some descendants of the original New England Puritans refused to observe the holiday, claiming that Thanksgiving should be inspired by the deity, not by politicians.

The most recent Thanksgiving controversy arose when Franklin D. Roosevelt switched the date of the holiday from the fourth to the third Thursday in November. He hoped to help business by making the shopping period longer between Christmas and Thanksgiving.

Newspapers and magazines carried editorials advising readers to ignore the president and some governors flatly advised their states to celebrate Thanksgiving on the traditional day. Three years after the change was made congress officially restored Thanksgiving to the fourth Thursday.

In view of this stormy history, it might be well to have a Thanksgiving to give thanks for Thanksgiving.

Women Voters To Look at Mental Health Problems

Is San Diego county losing its fight against mental illness?

The League of Women Voters of San Diego will survey the county's gains, losses and hopes for the future at a community meeting on mental health, December 3, 11:45 a.m., in the Lafayette hotel, San Diego. Luncheon reservations at \$1.75 may be made with Mrs. Murray Luftig, 5310 Penny place, San Diego, or by telephoning the league at AC 3-8534.

Mrs. Alden Huff, league local affairs chairman, said the psychiatric ward of County hospital handles 3,000 cases annually, and about 1,300 San Diegans are committed to Patton every year.

Many of the remaining patients must go without adequate treatment until they, too, reach the point where they must be committed, she said. The County hospital, at present, has no treatment center, although it will have 100 beds when the new psychiatric wing is completed. The state mental hygiene clinic, which provides some out-patient care, has a six-months waiting list, and psychiatrists in private practice are few and expensive.

"The December 3 program will outline not only the need, but possible solutions, as well," Mrs. Huff said, "for suicide and insanity are going to oblige us by disappearing if we ignore them."

Mt. Helix Council PTA Goes On TV

Members of Mt. Helix Council PTA will be seen on a television show Wednesday at 10:30 a.m. on Channel 6. This is the sixth in a series of programs sponsored by Ninth District PTA and featuring various phases of Parent-Teacher work. Time for these programs has been allotted by California Western university.

This program will feature instructional aids used in the classrooms and illustrate how parents can help through PTA items used will include flash cards, number games, counters, phonics cards, reading readiness charts, kindergarten furniture and other items made by parents at parent workshops.

Appearing in the cast of this production will be: William Schell; principal of Bancroft school; H. J. Brown, principal of Lemon Avenue school; Mrs. Charles Jackson, Byrl Nystedt, John Laney, Walter Rice, Bernard Young, George Cadwalder and commander and Mrs. W. M. Howerton.

Lemon Grove failed again in its attempt to become a general laws city.

The voters turned out in record numbers to defeat it 2762 to 2249. It failed in 1955 2,180 to 1,607.

The vote reversed the direction of a survey shown which was obtained by a 10 percent sampling last week. At that time the issue was leading by approximately 50 percent.

The campaign was one of the cleanest on record and it turned out one of the biggest percentages of voters ever to troop to the polls in a regional election. A record 59 percent of the 8500 eligible voters cast on the issue. It failed by 10 percent.

By precincts the semi-official vote was:

	Yes	No
1.	129	184
2.	124	78
3.	110	160
4.	142	211
5.	62	123
6.	144	184
7.	165	223
8.	152	175
9.	151	198
10.	156	152
11.	87	165
12.	159	183
13.	125	52
14.	153	180
15.	230	287
16.	148	219

The election culminated a nine month campaign by the Committee of 1,000 For Incorporation led by co-chairmen Mrs. Louella Fellows and Captain H. E. Le Barron. Most of the local groups and churches supported the issue.

The decision to resolve local government problems came when the chamber of commerce hired the Los Angeles Bureau of Municipal Research to conduct a survey on local government. The survey showed overwhelming evidence favoring incorporation. The chamber then selected the executive committee of the Committee of 1,000 For Incorporation and the project was on its way.

More than \$20,000 was raised by raffles, sale of keys and sale of "stock" in the proposed new city. Jim Spears, local auto man and Robert Vaught, camera shop operator, both of whom became council candidates, led the fund raising campaign.

Few property owners turned out to protest the boundaries when the hearing was called early this summer. The boundaries would have been roughly those of the Lemon Grove fire district with small sections whacked off in Vista La Mesa and a strip north of the freeway.

Captain H. E. Le Barron, one of the chairmen of the Committee For Incorporation, said "People of Lemon Grove have indicated their desire and we have no alternative but to follow their wishes."

Mrs. Louella Fellows, co-chairman, said "I feel sincerely sorry that we cannot have a city because I believed it was impor-

tant. I am keenly disappointed." Neither would say whether plans were afoot to try for incorporation again.

Harry Griffen and Mrs. Amy Sonka were chief opponents to the issue.

"The people have spoken," Griffen said. "I firmly believe that if the 26 candidates would now get together with the same amount of enthusiasm they showed in their race for council we could go a long way toward solving the theoretical problems of the community."

Mrs. Amy Sonka, who also opposed the issue said she felt the people have had their say about what they wanted. "We should obey their wishes," she said.

George Wren, assistant registrar of voters said that the candidates votes would not be counted until sometime Wednesday. "It seems unnecessary to keep a crew on to total these votes since the issue lost," he said.

Wren said that V. J. Dorman, an attorney, and Dr. Robert Burns, a veterinarian were far ahead of the rest of the field of 26 candidates.

Drawing Prize Unclaimed Again

Frank H. Stock of 3355 Massachusetts avenue, Lemon Grove, is out \$480 today because he didn't attend the jackpot drawing Friday night at the plaza. His ticket, for 40 percent, was drawn first, but the rules say a person must attend the drawing to win. A total of \$1,200 was in the "pot."

A consolation prize of \$10 was awarded to Charlie Serr of 3682 Fairway drive. A 10 percent ticket with the name of Sally Galind, 1740 Dupont drive, was drawn but she didn't attend the drawing.

Tickets for the drawings, held every Friday at 7 p.m., are distributed free by Lemon Grove merchants.

TRAINING CLASSES START DEC. 4 AT DANA SCHOOL

Warren service leadership training classes will be conducted at the Dana junior high school little theater, 1775 Chatsworth boulevard, beginning Thursday, December 4, 7:00 p.m. The class will meet on Monday and Thursday evenings for 2½ weeks for a total of five class sessions.

The training program, a requirement for volunteers, is also available to the general public.

DIGNITARIES—High ranking officials at a southern district meeting November 19 held at the Lemon Grove Woman's club clubhouse were these three women. From left, are Mrs. Jack C. Hamilton, district president; Mrs. Lawrence F. Vlach, Lemon Grove Woman's club president, and Mrs. A. F. Benton, Federation of Women's clubs president of Merced, California.

All-Purpose Theater Plans Revived By Local Group

An idea, started in August, for an all-purpose theater in this area, gained momentum November 18 when a steering committee gathered at Rose Hedge manor in La Mesa for a luncheon and meeting.

The meeting was chairmanned by Mrs. Henrietta Haroldson of the woman's committee of the Grossmont Concert association. Capt. H. E. LeBarron, president of the Grossmont Concert association, was one of the main speakers. There were representatives from several area organizations, including chambers of commerce.

The move to build the theatre is being spearheaded by the women of the concert association.

David Huenergardt of Beverly Hills, who is associated with a firm which constructs theaters of the type desired here, exhibited a model of a theater, which he pointed out, could be used for concerts, dramas, road shows, banquets, exhibitions, athletic events and other public attractions.

The building, which would cost about \$500,000, would have a glass dome. It would have a seating capacity of about 2,000. The performances would be held in the middle of the building with the audience seated around.

Financing construction of the

building was discussed. Bonds and subscriptions were suggested.

The organization to head the theatre would be non-profit, it was decided. Minimum rentals would be charged except in the case of road shows.

The group is seeking a ten-acre, centrally located site with plenty of parking space. The building will take up about two acres.

A finance committee was appointed at the meeting comprised of Mrs. Esther Moulton, Mansfield A. Mills, and Capt. H. E. LeBarron.

'Toys For Tots' Drive Starts Here Friday

The 1958 "Toys For Tots" campaign of the San Diego Marine Corps reservists will begin Friday and continue through December 21, it was announced this week by LtCol. Philip C. Morrell, commanding officer of the First Tank Battalion of the Marine Corps Reserve.

Purpose of the campaign, the seventh conducted by Marine Corps reservists here, is to make sure Christmas gifts of toys will be provided to all less fortunate children in the San Diego area.

LtCol. Morrell said donations of new toys or toys in good condition are urgently needed. Collection stations will be set up at all major chain grocery stores where persons can leave contributions, while shopping.

He urged all school, church, and civic groups to organize toy drives among their memberships, adding that Marine reservists would be glad to pick donations at any time.

"All toys collected in San Diego county will be distributed within the county," Morrell said. "Although toys for tots is a nationwide Christmas project of the Marine Corps reserve, each campaign is purely a local project."

He said that as in the past, the Salvation Army will be the toy distribution agency in the San Diego area. As the toys are collected by the Marine reservists they will be turned over to the Salvation Army who will sort and distribute them.

"Toys for Tots" was started by Marine Corps reserve units on the west coast in 1948, Morrell explained. Since that time, he said, the idea has spread throughout the country. Millions of toys are distributed each year to children who might otherwise fail to receive Christmas gifts.

Yule Pageant Slated Here December 17-18

Rehearsals for the annual Christmas Pageant offered the public by the Lemon Grove school Music Department are under the direction of Harry Weisgerber and George Starkey, directors of instrumental and vocal music. The pageant is scheduled for December 17 and 18, 8 p.m., at the junior high auditorium on School Lane.

A cast of twenty-five students plus a choir of one hundred voices will be accompanied by the school orchestra for this event staged yearly for the community. Mrs. Virginia Cornelius of the school art department will direct staging and sets. The pageant is a series of tableaux of Christmas scenes from all over the world.

Admission is by reserved tickets which are available without cost from the junior high office or from students in the music classes. Since seating is limited, those wishing to attend are urged to secure tickets early.

School Board To Meet Twice In January

The Lemon Grove school board cancelled a December 22 meeting because of Christmas holidays.

Two meetings will be held in January, however, and matters normally scheduled for this month will get attention at the first meeting next year. Byron Netzel, school superintendent, said the Mercury drive assessment is costing about twice the amount estimated originally by the county. Mercury drive extension gives San Miguel school a through street alongside it and was originally approved for improvement to handle traffic in case of emergency. The cost to the district will be \$7,277. An analysis of the cost schedules will be made by the district.

LG Zone Change Hearing Topic

SAN DIEGO (AP)—A Lemon Grove zone change to permit construction of a dental clinic will be the subject of a public hearing to be held Friday before the county planning commission.

Asking for the zone reclassification is Richard P. Foran, for two parcels of land at the intersection of Central and Main. The site will contain about 14,000 square feet, the application shows.

The zone change is to be changed from R-4 to commercial.

Dr. Anderson To Head Conference

Dr. Mel Anderson, dean of admissions at San Diego State college, has been appointed chairman for the 1959 community conference on education in the La Mesa-Spring Valley school district, scheduled to be held early in the spring.

"Dr. Anderson's appointment is hailed as a promise of good things to come at the conference," said president of the citizen's advisory

council Bud Birch.

Birch said Dr. Anderson is already contacting Dr. Howard Wilson, dean of education at UCLA, as a possible keynote speaker. Birch pointed out that teachers of the community will be highlighted at the conference in line with the recent discussions about the possibility of more community recognition for "our twig-benders."

This year the conference was held in the La Mesa junior high school auditorium. The 1959 session is expected to be held in the same place.

Two Meets Scheduled Next Week By AA of UW

Two sections of the La Mesa Branch, American Association of University Women have scheduled meetings for next week.

'Pink Ladies' In First Workshop

The year's first workshop for volunteer receptionists was held recently by Grossmont Hospital Women's Auxiliary, with twenty-seven current and prospective members of the group attending. Similar workshops will be held either annually or semi-annually to bring lobby workers up to date on any new procedures that may be put into effect from time to time, to discuss problems incidental to lobby duties and if possible find a solution to them. Last Thursday's workshop was conducted by Mrs. Lester L. Louis, director of hospital volunteers vice president, and Mrs. George Conrey, director of the auxiliary's volunteers who serve as lobby hospital aides ("Pink Ladies," so called by reason of the "cheery cherry" uniform smocks they wear while on duty).

Mrs. Louis reminded her hearers of the important part the receptionist plays in the impression the hospital makes upon the patient and the visitor; quoting the hospital's administrator, L. M. Peelyon, as holding that "the tone of the hospital is set by the 'Pink Lady' who meets and greets the patient or visitor at the door, and no later impression, however good, can entirely offset a bad first impression." She pointed out that making a good impression is dependent upon the 'Pink Lady's' attitude toward the hospital and those who come to it, as well as upon her words and actions.

A new set of printed rules entitled "Duties of Lobby Aide" was distributed, and the volunteers cautioned to read and heed them. The new rules have been approved by the hospital administrator, and have also been supplied to the various members of the hospital's personnel with whom the receptionists work so everyone concerned will be informed.

Schools Receive Radiological Kits

Helix and Mt. Miguel High schools were among 21 schools in San Diego county which received radiological training kits recently from the federal government.

The deliveries were made by Rear Admiral Robert H. Rodgers, coordinator, sector 1D and Bruce Berkey, instrument technician radiological division of the region one office, California disaster office.

The kits, valued at approximately \$500 each, contained geiger counters, ion chambers, dosimeters, dosimeter chargers, water and food samples and batteries.

The schools qualified for the kits after their science teachers successfully completed a two-day course at Gillespie field last April, Walter L. Chandler, county civilian defense training officer said.

The teachers are now qualified and equipped to instruct students in radiological problems and the use of metering equipment. In addition, many of the science teachers have already started teaching adult classes in radiological meter techniques thus increasing the county's preparedness for handling the problem in the event of a major radiological disaster.

Convention Bureau Printing Esperanto

The San Diego Convention and Tourist bureau is the first United States organization of its kind to reach around the world for tourists and conventions with a promotional brochure printed in Esperanto, the inter-national language.

During the past year, the San Diego bureau, with the coopera-

tion of U.S. Esperantists, has distributed 5,000 four-color brochures overseas, and increasing demand has necessitated an additional printing. Knowledge of the brochure has reached Esperantists through publications, distributed at conventions, and by communication between Esperantists.

Mother Goose Parade Draws 334,000 Viewers

EL CAJON—An all-time record attendance was lodged for the 1958 Mother Goose Parade here Sunday as 334,000 persons lined Main street for the two-hour fairyland spectacular displayed beneath a beautifully clear blue California sky.

"Gulliver's Travels," Camp Fire Girls, District IX entry, ran off with the sweepstakes trophy for the second consecutive year with a colorful and impressive float featuring a huge papier mache figure of Gulliver surrounded by a group of gaily costumed Lilliputians.

And, happily enough for Lemon Grove residents the perky Lemon Grove Junior High School Band under the direction of Harry G. Weisgerber and the Lemon Grove Majorettes and Pom Pom Corps directed by Jo Ann Maus followed directly behind the prize-winning float.

Shining midst the all-time record 32 band entries was the fast-stepping, colorfully and uniquely garbed Mt. Miguel High School. And, as usual, the Matadors, under the direction of L. K. Christianson, drew plaudits along the entire line of march for their appearance.

Leading off the second Division of the parade was the Blue and Gold clad Grossmont Union High School band, impressive in their performance under the direction of Arthur C. Schwuchow. And, of course, Grossmont's Caporettes, led by Georgia Bunker, exhibited their usual fast-paced and colorful routines.

"Three Little Pigs," sponsored by The Hayseed of El Cajon, picked up a pair of trophies Sunday winning the Senior Commercial Division and retiring the Best Use of Flowers trophy after three consecutive wins in that class. They decorated the float with 15,000 chrysanthemums.

La Mesa's "Old MacDonald Had a Farm" float was awarded the Governor's Trophy.

Fourteen chapters made up this

12th annual story-book extravaganza with 125 units including 32 floats, 34 bands and 24 marching units giving delight to the record throng in attendance.

The parade began at 2:05 p.m. from Marshall Avenue and El Cajon Blvd. with the El Cajon mounted Police leading the way for over 4000 participants. Following the police were bands, floats, horses, Indians, a full Division of Shriners and their clowns and one of the most impressive arrays of parade entries ever exhibited here.

Monte Hall, television and western entertainer, acted as Grand Marshal of the parade and Bonnie Wheeler, a dark-haired, black-eyed Grossmont High School senior was 1958's Cinderella Princess. Her maid of honor was Michal Jesperson.

Ralph L. May, president of the sponsoring Mother Goose Parade Association, remarked that "this is the most impressive parade we've put together yet and strengthens our belief that the parade will continue to grow."

Crowd reaction affirmed the belief that "this was the best ever" with floats, bands and marching units larger, more colorful and extremely pleasing.

October Employment Exceeds Last Year First Time in 1958

California employment in October exceeded last year's level for the first time in 1958, but unemployment continued above a year ago, two state agencies announced today.

Edward P. Park, director of the Department of Industrial Relations, reported civilian employment at 5,793,000 in October 1958, was at the highest October level in the history of the state and 21,000 higher than in October, 1957. Year-to-year gains in government, particularly in public schools, and in construction and service more than offset losses in manufacturing and in transportation-communication-utilities.

H. W. Stewart, director of the Department of Employment, reported that unemployment declined to 273,000 in October from 303,000 in September. Unemployment usually falls off in October, despite the drop in employment, because many seasonal and school-age workers withdraw from the labor force at this time of the year. In October, 1957, unemployment was 175,000.

The two officials explained that unemployment was higher than a year ago despite the year-to-year increase in employment because the labor force increased more rapidly than jobs in the past 12 months.

University Students Rehearsing Opera

Members of the opera workshop at California Western University are in rehearsal on the first student opera of the year, "The Holy Night," by Dr. Lucas.

Directed by Dr. Walter Teutsch, professor of music, the Christmas opera will be presented Dec. 5, 6, 7, in the Institute of Aeronautical Science building auditorium. Curtain time will be at 8:30 p.m.

790 Polio 'Shots' Given at School

The Mt. Miguel high school PTA, which sponsored polio "shots" at the school November 20, reports 790 persons received first, second or "booster" inoculations. A total of 1,802 "shots" have been given in the past six weeks.

Six doctors, seven nurses, 16 PTA members and several students cooperated in administering the "shots." The PTA wishes to extend its thanks to all who helped. The next shots will be given on May 14, 1959.

A pot-luck dance will be held December 13 at the school at 70th and Tower.

COUNTRY COUSINS

A record crowd turned out for the Country Cousins third annual Thanksgiving dinner dance Saturday.

A turkey dinner, and dancing for more than 500 was handled by the entertainment committee. Ray Columbe called.

A special event will be a Christmas party on December 13. Inexpensive gifts will be exchanged at a Christmas tree ceremony. Meanwhile, club dances will be held every Saturday.

FRONTIER SQUARES

Saturday night, Nov. 22 a 35 lb. tom turkey was given away at the Frontier Squares Thanksgiving dance. It was won by Jack Cox from the Valley Vagabonds. The Thanksgiving box of groceries was won by Herold Eberwein of the Frontier Squares.

Kip Muse and Herold Eberwein were on hand to help "Wild Bill Keller." The turkey got in a few calls too.

Registration is now open for Intermediate Class for anyone wishing to brush up in their Square Dancing. The class is being held at the La Mesa Dale School, Parks street in La Mesa. For information call HO 9-8564.

SD Boat Show To Fete Queen

The third annual 1958 San Diego boat show will have a queen, according to John Jennings, chairman of the boat show committee of the San Diego Marine association. The 1958 show is scheduled for a 10-day run from January 23 through February 1.

The queen for the event will be selected from contestants between the ages of 16 and 20 years, who are bonafide members of or related to a member of, one of the many boating and ski clubs of San Diego and Imperial counties.

Winner of the contest will be announced early in January. A coronation ball is also slated for January.

Savings Bonds Sales

County United States savings bonds chairman Philip L. Gildred last week disclosed latest federal reserve bank figures showing that San Diego county's sales of savings bonds for the first 10 months of 1958 increased 39 percent.

Total sales reported to date are \$19,178,393. Last year for the same period they were \$18,458,526.

The volunteer treasury representative said:

"The need for thrift continues and its benefits for those who practice it never go out of style."

"Sales of United States savings bonds hold back the destructive forces of inflation. They also cushion the effects of deflation with their comfortable reserves. They provide for future purchases of the big things of life—homes, education, travel, careers, and retirement. These facts contribute to the stability and safety of the individual and the community."

"OPEN ME FIRST"

Have you ever given a child a shiny new sled for Christmas . . . and then seen weeks and weeks go by without a sign of snow?

That's the way it is with a lot of Christmas gifts that you find piled under the tree. They're meant for another day and another time. But a camera? Well, a camera is different. Christmas just seems to go to gether.

The whole family want to remember the fun and excitement of Christmas morning the wrapping paper flying in all directions. The wide-eyed thrill of opening one glorious package after another.

Yes, a camera is just naturally part of Christmas fun . . . and that's what makes it such a wonderful Christmas gift. It can become part of the fun as soon as it's unwrapped.

That's why Kodak gift cameras and outfits have a little tag on them that reads, "Open Me First."

While you're thinking about it, why not look over your Christmas gift list. See how many "special people you can make extra happy with a Kodak gift camera.

We have all the Kodak cameras that you've seen on the Ed Sullivan and Ozzie & Harriet TV shows. And the prices won't burden even the most harassed Christmas budget. So make it a point to drop in soon, won't you?

College Plans Week On Religious Emphasis

A Spring Valley girl will have part in one of the more than 30 special events, including speakers, musical programs, discussions, and drama planned for Religious Emphasis Week, December 15, at San Diego State College.

She is Beverly Christenson, 2710 Tyler, Spring Valley, Inter-Faith council representative from Roger Williams club, a Baptist student group.

Inter-Faith council's a coordinating group composed of representatives from the campus' 12 religious organizations which is sponsoring the activity for the sixth consecutive year.

An all-campus Inter-Faith assembly December 2, at 11 a.m., in the main quadrangle will be the first of three major events.

The Rt. Rev. Donald J. Campbell, suffragan bishop of the Epis-

copal Diocese of Los Angeles, will speak on "Religion in Education." He will be introduced by Dr. Malcolm A. Love, president of San Diego State.

The very Rev. W. A. Kraft, pastor of St. Therese of the Child Jesus, San Diego, will give the invocation. Rabbi Monroe Levens of Tifereth Israel synagogue, San Diego, will deliver the benediction.

A drama titled "This Night Shall Pass," presented by members of Wesley Foundation, Methodist student group, will highlight the annual inter-protestant and Anglican banquet. The event will be held Wednesday at 5 p.m. in College Park Presbyterian church.

A program of verse choir reading and special religious music of all faiths will be the third

Art Festival Dates Scheduled

More than 600 artists of San Diego County have been invited to participate in the Holiday Art Festival in La Mesa December 6 and 7. Exhibits will be arranged on the grounds in the rear of the La Mesa Fine Arts Center, 8055 University Avenue, and each artist will have his display decorated to carry out the Christmas theme.

Strolling carollers and musicians, holly, mistletoe, Santa Claus—all these will set the happy holiday mood for this first annual Christmas Art Mart. Hours will be 10 to 5.

A major event, Thursday at 11 a.m. in the main quad. San Diego State's 73-voice verse choir will perform under the direction of E. Kingsley Povenmire, associate professor of speech arts. Musical soloists will be members of Sigma Alpha Iota, women's honorary sorority.

Helix PTA Plans Student Meetings

The parent education committee of the Helix high school PTA met November 17 at the school to plan a series of four meetings concerning the education and activities of students at different grade levels.

Parents of freshmen students will meet in the Helix library at 7:30 p.m. Tuesday, December 2. The teaching staff will discuss affairs pertinent to the freshman class, followed by a question and answer period.

Mrs. Max Gundry, committee chairman, also announced the meeting dates of the other classes. Senior parents will meet Monday, January 12; sophomores, Monday, January 19; and juniors, Monday, February 9.

There will also be a meeting on March 16 to discuss the honors program conducted at Helix high school.

Eastern Star New Officers Meet Tuesday

The first meeting of the new officers of the La Mesa Order of the Eastern Star No. 300 will be held Tuesday at 8 p.m. in the Masonic Temple at 4731 Date street, La Mesa.

Mrs. Dorothy Shaw will be presiding as Worthy Matron and W. Morgan Thomas as Worthy Patron; Mrs. Enid Young, Associate Matron; Stanley Rogers, Associate Patron; Mrs. Lillian Gaynes, Conductress; and Mrs. Janet Murphy, Associate Conductress. Other officers include Vernal Thomas, Organist; Louella Soper, Mabel McKinney, Ethel Tice, Dorothy Baber, Betty Boatman, Betty Ware, Clarice Soper, Lova Dean Puckett, Jane Kahler, Beatrice Taylor, Harold Manzy and Leon Matthews.

Area No. 65, Lemon Grove, Massachusetts Avenue, Et al., et al., NOTICE OF AWARD OF CONTRACT IN PROPOSED ASSESSMENT DISTRICT

Pursuant to the requirements of Section 5248 of the Streets and Highways Code, NOTED IS HEREBY GIVEN that a contract has been awarded by the Board of Supervisors of the County of San Diego to L. B. Butterfield, Inc. for construction of sewers, manholes and appurtenances in Massachusetts Avenue, et al., in Lemon Grove, Area No. 65, in the unincorporated area of the County of San Diego and relating to the real property described in that certain map bearing Document No. 245948, on file with the Clerk of said Board.

From the time of recording of this notice in the office of the County Recorder, all property within the boundaries of the proposed assessment district shall be assessed to pay the cost of the improvement in proportion to the benefits which said property receives from the improvement, notwithstanding the subsequent acquisition of any such property by a public agency.

Assessment No. 69

NOTICE IS HEREBY GIVEN: That the Superintendent of Streets of the County of San Diego, pursuant to the Improvement Act of 1911, has filed with the Clerk of the Board of Supervisors of the County of San Diego an assessment map, diagram attached to cover the sum due for the work performed and specified in the contract, including all incidental expenses, for the improvement of sidewalks and necessary drainage structures in VIOLET STREET, et al., in LEMON GROVE, Area No. 50, Road Improvement District No. 604, in the unincorporated area of the County of San Diego, all as more fully set forth in the Resolution of Intention adopted April 29, 1958, by the Board of Supervisors of the County of San Diego, hereinafter referred to as the Board of Supervisors, to which Resolution of Intention reference is hereby made.

That the 16th day of December, 1958, at 11:00 o'clock a.m., in the chambers of said Board of Supervisors, Room 310 City and County Administration Building, 1600 Pacific Highway, San Diego, California, is hereby fixed as the time and place when any and all persons interested in said work or said assessment may appear and be heard by said Board of Supervisors. Any person feeling aggrieved by any act or determination of the Superintendent of Streets or Engineer or relating to said work or assessment, or who claims that the work has not been performed according to the contract, or who claims that any portion of the work was omitted or illegally included in the contract, or having any objection to the correctness of the assessment, or diagram or order of termination or proceedings of said Superintendent of Streets or Engineer shall, prior to the day fixed for said hearing, appeal to said Board of Supervisors in the manner provided by law by briefly stating in writing the grounds of appeal. Such appeal must be filed in the office of the Clerk of said Board of Supervisors prior to the day fixed for said hearing.

Dated: November 18, 1958

HELEN KLECKNER, Clerk of the Board of Supervisors of the County of San Diego, Room 306, City and County Administration Bldg., San Diego, California.

LG Rev Nov 27 & Dec 4 1958

Will our children say "Thank You" to us?

When we celebrate Thanksgiving Day we pay tribute to that band of Pilgrims who came to America seeking Freedom, and we give thanks for the freedoms they fought for, represented by the four symbols in the picture:

- A HOLY BIBLE — symbol of our right to worship as we wish.
- A DOOR KEY — symbol of our right to deny entry to our homes without due process of law.
- A PENCIL — symbol of our right to write and speak as we wish without fear of reprisal.
- A BALLOT — symbol of our right to go to the polls and cast our vote in secret.

Through the years men have died to guard these freedoms for us.

But as we celebrate Thanksgiving, 1958, it might be well to think how we are going to live to protect, support and fortify these precious freedoms. Not merely by saying "Thank You" to a kind Providence and to heroes of the past. But by having the courage, the will and energy to assume our responsibilities each day of our lives. To vote whenever we have the opportunity and base our vote on our own knowledge and judgment; to speak our minds freely and uncompromisingly; to worship in what manner and in what church we each see fit, to lock our doors against prejudice, intolerance and tyranny in whatsoever form they may appear. To make our home the dwelling place of all those qualities that will nourish ourselves and our children, physically, morally and spiritually.

If each of us is vigilant to act as custodians of all our freedoms every day, then we can take comfort in the knowledge that future generations will have reason to say "Thank You" to us.

* The members of the Walker Scott store family join in wishing you "Happy Thanksgiving"

Area Nurses To Take Part In Heart Disease Institute

"The Nurse And The Cardiac," a special one day institute of instruction, discussion and analysis of the role of the nurse in care of a patient with heart disease, will be presented Thursday, December 4, by the San Diego County Heart association and the California State Nurses association, district 8.

The jointly sponsored institute is the first of its kind in San Diego county and all registered nurses of this area are invited

to attend. Dr. Ernest W. Shaw, chairman, has announced. There is no registration fee.

The sessions, which will be held at the Red Cross auditorium, 3651 Fifth avenue, San Diego, from 8 a.m. till 4 p.m., will cover such topics as "Diagnostic Measures," "Pre and Post Operative Care," "Nutrition and the Cardiac Patient" and "Epidemiological Factors in Cardiac Disease."

Among the guest speakers will

be Dr. David B. Carmichael; Dr. Glen A. Gibbons; Dr. Elmer Bingham, chief, division of preventive medicine, San Diego Department of Public Health; Grace Lanning, R. N., nursing consultant to the American Heart association; and Vernice Schultz dietitian.

There will be no advance registration, according to Alice Lee Young, R. N., CSNA, district 8 chairman. All registrations will be made at 8 a.m.

Winter Is Near; Tea Is Served

Who would have believed a few weeks ago that air as fresh as an Alpine breeze would sweep down from Canada bringing pleasant relief from the sweltering months of summer. The cooler air is particularly welcomed because of the busy days ahead. Vacations are over and there are new fall clothes to be selected, last year's favorites to be shortened, summer cottons to be packed away and in between the shopping, sewing and packing are the round of parties that mark the end of summer.

One of the most rewarding and inexpensive ways to entertain is over the tea table. No

wonder that a revival of the tea hour is sweeping the country. For the tea hour appeals to both young and adult and can mix them both in the congenial atmosphere of sociability and friendly interchange of ideas. It offers a relaxing pause and a refreshing start for the preparations of more strenuous evening activities.

The food for tea should be simple; small baking powder biscuits with marmalade, fruit cakes or gingerbread are suitable for the drop-in-and-have-a-cup-of-tea time. The tea should be properly brewed and should be served steaming hot with

lemon, milk or cream. The new flo-thru tea bag, that permits the boiling water to swirl through the leaves from all four sides instead of the usual two, makes the perfect cup of tea.

To bring out all the good, brisk flavor the tea in the bag has to offer, be sure the water is boiling rapidly. Use one flo-thru tea bag for each cup of water, and one for the pot. Steep for 3 to 5 minutes and remove the tea bags before serving.

Sugar and spice and all things nice are associated with the tea hour. Here is an easy to make fruit and spice cake that came to us by way of Scotland.

DUNDEE CAKE

1/2 cup butter or margarine
1/2 cup unsifted confectioners' sugar
4 eggs
2 cups sifted all-purpose flour
1 teaspoon baking powder
1/2 teaspoon nutmeg
1/2 teaspoon cinnamon
1/2 teaspoon salt
1/2 cup white raisins
1/2 cup currants
1/2 cup seedless raisins
1/2 cup chopped mixed fruit peel
1 1/2 cups (8 ounces) blanched, split almonds

Beat butter until pale in color and fluffy. Gradually beat in sugar. Beat in eggs, one at a time, beating well after each addition. Combine flour, baking powder, spices and salt and stir into the egg mixture. Stir in fruit, peel and 1 cup of almonds. Put batter into a greased cake pan 8 inches round and 2 inches deep. If your pan is not deep enough, collar it with a strip of greased brown paper cut 2 inches wide. Smooth top with spatula. Bake in a preheated 350° F. oven for 1 1/4 hours, or until cake tests done, but after baking for 30 minutes, sprinkle top with the remaining almonds.

From Scotland comes the recipe for this handsome almond studded currant and spice cake. It is the perfect complement to a brisk cup of afternoon tea

Social Security Benefits Due 1,000 Persons

The Social Security administration is trying to contact more than 1,000 persons in the San Diego service area to give them information about benefits due them.

Joseph Finnell, manager of the local Social Security office, said those being sought become eligible for benefits under 1958 amendments to the Social Security law.

He listed some of the groups now eligible as:

Children of disabled workers if they are under 18 or have been disabled since before they were 18, mothers of such children, and wives of disabled workers when the wives reach 62.

Aged persons who were dependent upon children, who have died but who could not receive benefits until now because the deceased children were survived by children or spouses.

Disabled workers who worked under Social Security five years out of the last ten years ending

Shearer Will Edit New Publication

William K. Shearer, defeated this month by Sheridan Hegland for an assembly seat in the 77th district, has announced he will edit a new weekly newspaper in the Oceanside-Carlsbad area.

The new publication, the Oceanside-Carlsbad News Advertiser, will be headed by Shearer and Jack MacLean, San Marcos and Valley Center publisher. The weekly newspaper will begin publishing on December 4, Shearer said, and contain 12 pages in tabloid form.

Disability benefits were not received by Shearer and his family because of his disability. He said that he and his family have received Social Security benefits since he was disabled.

Disability benefits were not received by Shearer and his family because of his disability. He said that he and his family have received Social Security benefits since he was disabled.

Workers with long-standing disabilities who did not file before the June 30, 1958, deadline. This has been extended to June 30, 1961.

County Newspapers Will Compete For Education Award

San Diego county newspapers will compete for a sixth award in the annual Press Awards contests sponsored by the San Diego chamber of commerce.

The undergraduate chapter of Sigma Delta Chi, a journalistic fraternity at San Diego State college, announced it will present an annual award to the newspaper which contributes most to the cause of education during the year preceding the press awards. James L. Julian of the state college journalism department, in announcing the award said the fraternity group hopes entries in the contest will be of a nature that have produced "a permanent and far-reaching impact on education as a community and an American institution."

San Diego County newspapers are now competing for the San Diego Union's community service award, the Henry C. Reed best editorial award, the Public Relations club's youth service award, the Evening Tribune's best news story award and the Breitbard Athletic foundation's award for outstanding promotion of an athletic program.

The first award of the undergraduate chapter of Sigma Delta Chi will be made next May when the Press Awards banquet is held. However, judging will be on 1958 stories dealing with education.

'World Women' Talk Set By United Church Group

A "green and silver tea," scheduled for 1:30 to 3:30 p.m. Tuesday of next week at the downtown YWCA auditorium will feature a talk, "Women Around the World," by Mrs. Harper Sibley, past president of the United Church Women and honorary member of the national board of the YWCA.

The tea is being held to celebrate YWCA World Friendship festival and the 25th anniversary of the Southern California Southern Nevada United Church Women.

No More Lickin' On Stamps That Need Stickin' To Parcel Post Packages Here

Parcel post window service in Lemon Grove will soon be mechanized along with 63 more cities and towns where postoffices will replace stamps with a postage meter. The new device cuts down waiting-in-line time at parcel windows and speeds packages on their way without so much as the lick of a stamp, according to Frenchy Faucher, Lemon Grove postmaster.

The installation is part of a contract for 200 special postage meters which the post office department has awarded Pitney-Bowes, Inc., makers of mailing machines for business and government. The machines will be installed in 152 cities and towns, 63 of them getting the service for the first time.

Here is how the system works: the window clerk at the parcel post window, after weighing your package and computing the fee, takes you money and touches levers on the electrically operated postage meter machine.

Out pops a small printed label, gummed and automatically moistened, and complete with postage of the exact value, plus the city postmark and date of mailing. It is slapped on your package, and the transaction is over. Time spent waiting in line is halved, and stamp-licking is abolished.

Mechanically, the new device is a version of the familiar postage meter used by business firms under government license to stamp and seal letters in their offices and to prepay parcel post charges in their shipping rooms.

The new post office model completely eliminates the storing, selecting, handling and affixing of the various denominations of stamps needed to make up the postage charges and fees, since any value — from one cent to \$10 is issued instantly in a single "meter stamp." In a test installation in a large eastern post office, a queue of sixty parcel-laden people was served in exactly ten minutes.

Hygienically minded people like the new system because it does away with the handling and tongue-licking of stamps.

There are major savings to Uncle Sam as well as postal patrons, since the machine not only speeds up the window and counter service, but "metered" parcels require no canceling and postmarking and can be more quickly sorted for early train dispatch.

Another advantage claimed is that postoffice inspectors, cashiers and clerks are protected by automatic foolproof postage control and accounting, since the meter's registers can be read like gas or water meters; and postage, even when imprinted, is non-negotiable.

These installations, coming as they do just before an expected all time peak Christmas rush, should be of great help in handling the rush of gift mailers and help insure that the gifts arrive on time.

The metered mail system, originated 38 years ago by the Pitney-Bowes company, has now reached the point where last year metered mail revenues collected by the Post Office department were over a billion dollars—47½ percent of all postage paid on U.S. mail.

VLM PTA Plan Christmas Party

The Executive Board of the Vista La Mesa Parent Teacher Association will meet December 1 at the home of Mr. and Mrs. Clarence Allen. The Board will enjoy a Christmas party with the members exchanging gifts.

Assisting Mrs. Allen with refreshments will be Mrs. A. C. Olson, president, and Mrs. L. W. Nelson, vice president (program).

At the last regular meeting of the Vista La Mesa PTA, the Award of the Month was presented to Mrs. Ralph Christiansen for her service to school and community and outstanding work in making the school Halloween carnival a success.

Palm PTA Exec Board Sets Meet

The Palm Ave. PTA Executive Board meeting will be held Tuesday at 7:30 p.m. at Palm avenue school. Plans for the Christmas program will be discussed, according to Mrs. H. L. Graham, Inspirational Chairman.

HIGH SCHOOL GETS ILLUMINATED GLOBE

An illuminated globe has been donated to the Helix high school library by the Helix class of '58, according to Robert Freeland, Helix librarian. The globe will be used for general library use.

LETTERS TO THE EDITOR

Dear Editor:

By this time just about everything has been reported about the Democratic landslide. But don't count us Republicans out, because we are generating a new head of steam.

People who have not been active before, except to vote, have called me to ask how they can participate in the Republican cause starting now. There is real, honest concern about the large number of voters who apparently failed to appreciate the accomplishments of this Eisenhower administration.

This is the Republican administration that brought the nation into this election with unprecedented prosperity in the face of Democratic prediction of gloom and doom just a few months ago... and it was done without resorting to inflationary programs.

This is the administration that dared to remove price and rent controls—now all but forgotten—in the face of dire predictions by the Democratic party. These programs of government interference had been perpetuated throughout the past war years by the Truman administration. Only the combination of the Eisenhower win with a Republican congress permitted this—the only halt in the steady Democratic march toward socialism during the previous 20 years.

This is the Republican administration that chose to stand behind its commitments in Lebanon and Formosa—all without prompting the bloody fight which was foretold by the Democratic leaders. The same leaders who declared South Korea to be outside our "perimeter of defense," thus prompting the useless and indecisive Korean War.

Unhappily, these facts are too soon forgotten by the voter, but they are still vital to our American traditions. But we must look ahead and seek those things on which we can rebuild. What are those things?

1. A Republican program of racial equality that will be consistent whether we are seeking support in the north or in the south. (How can the Democrats get away with a liberal racial policy in the north and a program of segregation in the south in direct violation of the supreme court?)

2. A Republican alignment with labor union members who know the need for democratic processes in union administration and responsible accounting of union funds. (Why should the handling of the workers' funds held in trust by his union be subject to any less degree of honesty than the moneys entrusted to banks or savings and loan associations?)

3. A Republican party that has the courage to stand firm against "creeping socialism" and for economic freedom.

This is the challenge and this is the invitation to others in our community who are "steamed up" and ready to do something about it.

No wonder folks say: "THIS IS THE SAVINGEST CAR
THAT EVER CAME WEST!"

Your new Ford saves you
up to \$1.00 on every
tankful of gas!

With the 59 FORDS you not only get Ford's
famous "GO"—you get it for much less!

Trust Ford to give you the newest in style and savings, too. Ford, the world's most beautifully proportioned car, saves you up to 5¢ on every gallon of gas you buy. That's more than \$20 a year (if you drive 10,000 miles). How come? Standard Ford engines deliver topnotch performance on regular gas. And that's only the

start of these engines' saving ways. For instance, they only require oil changes every 4000 miles.

New performance? You bet! Thunderbird power at its finest. The new Ford engines deliver their top performance at speeds from 30-70 mph... the speeds at which most driving is done. Come try it! It's terrific.

Xmas Mail Made Easy . . . If You Follow 10 Easy Rules

Lemon Grove Postmaster Frenchy Faucher this week outlined ten basic pointers for users of the mails to follow in order to assure prompt and safe delivery of their Christmas cards and gifts this year.

1. Address mail fully and clearly. Write legibly or print plainly and always use zone numbers for zoned cities in the address and return address. Avoid abbreviations since this may lead to confusion.

2. Use the 4-cent letter rate on Christmas cards. Be certain a return address is printed in the upper left hand corner of both Christmas cards and parcels. This will prevent any undelivered mail prepaid at the letter rate ending up in a dead letter office. Buy stamps early to avoid waiting in line later.

3. Do not enclose coins or hard objects of any kind in letters. Cancelling machines cannot process such letters and often damage the letter and contents.

Do not mail money in Christmas gifts or letters. For safety's sake, use postal money orders or checks.

5. Separate your letters to "local" and "out-of-town." This will speed all the mail and relieve much of the congestion in post offices.

6. Make certain that parcels are well packed and securely wrapped in strong containers. Cushioning material, such as excelsior, shredded newspapers or tissue paper should be evenly and firmly placed on all sides of the Christmas gift. The carton should be wrapped in heavy paper and securely tied with strong twine.

7. Gifts of a delicate nature, such as glass, china, electrical appliances, radios and musical instruments, must be marked "Fragile" by the mailer. Foodstuffs should be marked "Perishable" if subject to spoilage.

8. Insure parcels. Register letters of real value. Where only proof of delivery is required for letters of no intrinsic value use certified mail. Use combination mail where a letter or message—other than a gift tag—is to be enclosed inside a Christmas package.

9. Mail Christmas cards and parcels early to avoid the last minute rush and waiting in line at the post office. The best time to avoid crowds at stamp windows in most post offices are be-

fore 10 a.m. and between 1:30 and 3:30 p.m.

10. Every postal employee is happy to answer questions on postal rules and regulations. Anyone with problems about mailing his Christmas parcels should avail himself of the opportunity of discussing the problems with postal employees, and take advantage of their experience.

Extended hours for Christmas mailing will be: Weekdays 8:30 to 6:30; Sundays 12:00 to 4:00 from December 8 through December 21.

On December 22, back to normal hours of 8:30 to 5:30 will be observed.

St. Philip's Sets Communion

St. Philip's Episcopal church's annual advent corporate communion for men and boys will be held at the 7:30 a.m. services Sunday. Breakfast will be served after the services.

This is the annual rededication for men and boys of the Episcopal church in the United States and overseas for the work and worship of their church.

Thanksgiving communion is scheduled at the church at 7:30 a.m. Thursday of this week.

3 Local School Bands Will Compete In All-Western Review

Three Grossmont Union high school district bands will enter the All-Western Band review competition in Long Beach on Saturday of this week. Students and hand parents' clubs from the three schools finance the annual post-Thanksgiving expedition.

Benton Minor's El Cajon Valley high school sweepstakes-winning band of last year will compete again.

Mt. Miguel high school's band under direction of Larry Christiansen, will take 94 band members and march 84 bandsmen. Jeannette Lowe and Karen Mickelson, juniors, will enter twirling and non-twirling majorette competition. Jeannette won third last year, and Karen placed second at the Maytime Band review. Featured will be eight girls carrying letters which spell the name of the school on one side, the nick name "Matadors" on the other.

Grossmont's blue and gold marching band, under direction of Arthur Schwuchow, will wear new white shake hats in the review parade.

This year the inspection will be carried on during the parade instead of at a separate time and place. For the first time, too, marches have been selected for the bands by a review committee.

Hospital Auxiliary In 'Thank You' Tea

Two hundred forty members of Grossmont Hospital Women's Auxiliary, dressed in their best bibs and tuckers, enjoyed the delightful tea given at Grossmont Hospital in the auxiliary's honor Thursday afternoon by the hospital's employees' association. The affair, the third annual, was the association's way of saying "thank you" to the auxiliary for its continuing interest in and assistance to the hospital, and the large and enthusiastic attendance indicated the auxiliary's appreciation of the graceful gesture. Harry Jackson, head of maintenance, is president of the sponsoring association; Mrs. Louisella Klaesson, admitting secretary, chairman of the tea. The decor was beautiful, the refreshments delicious, and many who attended are already looking forward to next year's tea.

Church Women Set Prayer Week

The woman's missionary society of First Baptist church of Lemon Grove, will be engaged in their annual Week of Prayer program for foreign missions, during the week of December 15.

The programs will be as follows:
